# Time Trial Circuit (C)

The screenshot shows the MapMyRide.com website in a Mozilla Firefox browser. The browser's address bar displays the URL <http://www.mapmyride.com/fullscreen>. The website header features the MapMyRide logo and a navigation menu with options: Save, Import, Find, Tell-A-Friend, Help, and a 'sponsor me' button. The main content area displays a map of the Waikite Valley region with a blue cycling route. The route starts at a green play button icon near Ngakuru and follows a path through the valley. A 'DRAW IT' panel on the right side of the map offers tools for 'Point', 'Out & Back', 'Loop', 'Undo', and 'Clear All'. Below the map, a 'ROUTE INFO' box indicates a distance of 9.99 km. At the bottom of the map area, there is an elevation profile showing the route's altitude, with a maximum of 362m and a minimum of 295m. The interface also includes a 'SHOW PANEL' on the left and a 'HIDE ELEVATION' button at the bottom of the map area. The browser's taskbar at the bottom shows the Start button, several open applications, and the system clock displaying 12:18 p.m.
